The 2023-24 Queensland State Budget has been released and is set to transform the state with major infrastructure investments that will help to create more jobs, new industries, better communities and stronger regions.

Queensland's Big Build

A \$20.321 billion Big Build capital investment in the 2023-24 State Budget – part of a \$88.729 billion investment over four years – will support the delivery of the state's biggest transformational projects as well as essential services for Queenslanders.
