

MOVING NEW ZEALAND FORWARD

The Future of Heavy Vehicles

The IRTENZ 19th International Conference

Power Train and Energy Supply
Vehicle Technology Update
Engineering Vehicles to Manage Pavement Wear
Compliance Systems
Keynote International Speakers

Jet Park Hotel, Hamilton Airport, 26th-27th November 2025

IRTenZ is recognised for convening leading industry experts to address key issues in an accessible manner. Our Conference will provide clear, direct insights on international research and policy, advancements in vehicle systems, and ways in which technology can enhance compliance management and mitigate the impacts of vehicles on our roads.
